1. Introduction:

Watch video: (Parents are to meet with students during intro during this movie introduction!)

2. What is a miracle? Hold up a bottle of medicine. Who prescribes this? Why? Have you ever taken medication? Why? Luke was a doctor and God works through doctors. God also works through miracles, they are when God suspends the laws of nature and does things supernaturally above and beyond nature. What are some miracles you know of? Note the number of differing miracles Jesus did in today's video. This video and the Gospel of Luke form a firm foundation to understand the rest of Scripture.
